

IMAGERY ANALYSIS SERVICE

PRODUCTION BOARD MEETING

Thursday, 9 March 1972 - 1330

25X1A

MEMBERS PRESENT

[Redacted]

PRELIMINARY ASSESSMENT

The Director reported that the preliminary assessment, as it finally came out, was very good. Several miniboards were better than expected. The divisions were encouraged to prepare these boards if there was any possibility that they might be used.

MISSION SCHEDULE

25X1D

[Redacted] The next "4" is scheduled to arrive in IAS in late April-early May.

The Director requested that RMB include in next week's mission calendar all KH missions programmed through early June. The calendar will show "go" dates for each mission and projected arrival dates of the materials in
